

Funding Guidelines for Grant Seekers

Mission Statement

The Mission of The S.A.L.T. Foundation, (The Foundation), is to establish God's Kingdom on earth through stewardship, accountability, and responsible charity. The Foundation financially supports S.A.L.T. Certified Servant Leaders and programs administered by organizations or institutions with proven records of successfully serving the human and civic development needs of individuals both here and abroad.

Our philanthropic focus is on education, socially responsible economic development & project funding, health and welfare, civic, and cultural arts initiatives. Through Mission Driven Investing, The Foundation goes one important step further by educating, training, and equipping beneficiaries to replicate what the program has done for them and to share it with others. The core goals of the programs and projects that we fund are to strengthen the world community and improve life for its citizens and future generations.

Grants and Project-Related Investments to Organizations

Before a request is made for a grant or project-related investment, and preliminary application is required to determine whether The Foundation's present interests and funds permit consideration of the request. Preliminary applications for grants can be done through TheSALTFoundation.org website. If you are invited to submit a full proposal we recommend including the following information:

Grants to Individuals

Most of The Foundation's grant funds are given to organizations. However, The Foundation may make grants to individuals. Individual grants are few in number and are limited to individuals that complete The S.A.L.T. Servant Leader Training Certification program.

The Foundation does not award grants purely for personal needs. In all cases, recipients are selected on the merits of their proposals and on their potential contribution to advancing The Foundation's Mission and objectives.
